Note: Active athletes, coaches, and officials are **NOT** eligible for nomination.

Active MCSHF Board Members and members of their immediate family (Parent, Grandparent, Spouse, Child, Grandchild, and Siblings) are **NOT** eligible for nomination but may be inducted if nominated prior to the beginning of service on the Board.

The nominator is required to complete the nomination form and provide all necessary paperwork. Nominees are selected for the Hall of Fame each year by a selection committee. All nominees will be screened thoroughly. Statistics, record books, video, news articles, etc., will be considered when possible. Although athletic achievements will be of prime importance and consideration, current and past-athletic achievements will be evaluated. A person must also have proven worthy by carrying the ideals of athletics forward into his or her occupational endeavors and community service.

All candidates will be judged on their significant and/or long-term contributions to athletics or sports in general. Longevity, without significant or unusual accomplishments, does not constitute appropriate credentials for MCSHF consideration. Candidates must have excelled in his or her field of sport, whether athlete, coach, or other nomination categories recognized by MCSHF, and who through such achievements have gained renowned recognition.

Athletes will be considered for their achievements in amateur or professional athletics on a county, state, national, or international level. Excellence beyond the ordinary in their field of endeavor is required. Coaches will be considered based on their coaching achievements at the Montgomery County intramural level, public or private school, collegiate, state, national, or international levels. All other categories are for individuals who have contributed to the excellence of sports in some other capacity, including but not limited to such areas as sports administration, sports medicine, sports media, and sponsorship of athletic sports program. (Individual sponsorship does not meet award recognition criteria.).

Once candidates are selected and awarded hall of fame distinction, inductees are recognized as members of the MCSHF. No individual inductee will be formally inducted without his/her approval or the approval of his/her family.

Although there is a significant number of well-qualified athletes that have contributed to the great sports heritage of Montgomery County, it should never be taken for granted that someone will be included in the Hall of Fame. Because of the number of well-qualified athletes nominated in Montgomery County, some nominations will not be selected, and others may take a longer period of time to be selected. Nominations that have successfully gone through the screening process will be considered for each year for a total of three (3) years. If a nominee is not selected at that time, the candidate may be re-submitted for nomination consideration during a subsequent selection period.

A NOMINEE WILL RECEIVE AUTOMATIC QUALIFICATION IF HE/SHE MEETS THE FOLLOWING CRITERIA:

- ❖ Olympic Medalist
- ❖ World Record Holder (sanctioned association)
- ❖ Inductees in recognized International or National Hall of Fame
- ❖ Professional Athlete who has been a member of a world championship team
